 - 9am to 3pm
- **August 15, 2026**
 - 9am to 3pm
- **October 29, 2026**
 - 11am to 5pm

Household Hazardous Waste

During a Spring-cleaning, residents often discover materials that cannot be disposed of through curbside collection. Due to the possibility of fires or the release of toxins into the air and other surfaces, hazardous waste must be disposed of by a licensed contractor.

Cumberland County is offering on-site disposal services with a licensed contractor on 4 dates in 2026. The fee to dispose of Household Hazardous Waste (HHW) items during a HHW event is 75 cents per pound. The true cost for disposal of HHW is \$1.60 per pound, however Cumberland County has been able to secure state funding to offset the costs to residents. A list of acceptable Household Hazardous Waste items can be found on the Cumberland County Webpage under Recycling & Waste.
