Township

Household Hazardous Waste Event

Lower Allen Township, in conjunction with Penn Waste, will be hosting a Household Hazardous Waste Collection Event for residents and businesses in the Township. Acceptable materials must meet the following requirements:

1. Waste must be generated by the individual registering for the event. Please do not bring materials from a property outside of Lower Allen Township.
2. The materials must be wastes that can be generated by consumers in their home.

Registration is required. A link for registration and a list of acceptable materials can be found on the Penn Waste or Lower Allen Township websites.

Recycling Looks Different for the Future
