2026 vol. 9

Lower Allen Township

September Sneaker Drive

It's back to school time and time for new sneakers! Kids grow fast and sneakers can be the first items for them to outgrow. Did you know 600 million people in the world do not own a pair of shoes? Lower Allen Township will host a Sneaker Recycling Dropbox at the Municipal Services Center during the month of September. Bring any pair of sneakers (any size) to the building, drop it in the donation box, and help someone in need. All donations will be sent to developing countries to increase economic sustainability and reduce landfill waste.

Recycling Looks Different for the Future
