I AMERICA RECYCLES DAY®

KEEP AMERICA BEAUTIFUL®

How will you celebrate?

November 15th celebrates America Recycles Day! There are many ways families can celebrate November 15th, from refusing plastic straws to bringing your own bags to packing a zero waste lunch one day a week, there are many ways honor the day. From 2020 to 2025 litter along roads and surface waterways has declined approximately 34% in the United States. Although litter amounts are down, there is still approximately 35 billion pieces of litter on roads and waterways.
